Additional Respite Resources

- Unfortunately, respite funding is limited. Please check with local service providers, support groups, etc. for possible options.
- Independent Service Coordination Agencies (ISC) have expertise in local resources. You can find your local ISC on the Illinois Life Span website at www.illinoislifespan.org by choosing your county and scrolling to the Independent Service Coordination Agency listing.
- The Illinois Respite Coalition may have emergency respite funding available. You can learn more about this funding and other respite information at: <http://www.illinoisrespitecoalition.org/home.html>
- Another funding source for respite for those who qualify is the IL DHS Division of Rehabilitation Services (DRS). For more information and eligibility requirements, contact your local DRS office. <http://www.dhs.state.il.us/page.aspx?module=12>

A huge thank you to Tina Yurik from Illinois Respite Coalition for her help in compiling this information!
