

# BECOME A CHANGE AGENT

in your community with a  
Master's in Psychology Degree.

## DEGREES OF DIFFERENCE

---

Since 1886 National Louis University (NLU) has been preparing students for success in serving the needs of others. NLU's Master of Arts in Psychology continues to carry out this legacy of community service by educating students toward bringing about community change.

A degree from NLU provides a foundation for you to enhance your career and contribute to the communities in which you work and live.

Our graduates are leaders in their respective fields in public health, social service and education, to name a few.

## MASTER OF ARTS IN PSYCHOLOGY

### Through the coursework, you will:

Master core concepts of psychology, including human development, social psychology as well as personality theories.

Gain essential psychological research and appropriate application skills.

Understand quantitative and qualitative methodological concepts necessary to conduct quality research.

Teach Psychology courses at the community college and university undergraduate level.

---

A master's degree in psychology from NLU will provide the skills needed to advance your career or prepare you for doctoral studies.
